## RE-REGISTRATION

I would like to leave OVGU after my graduation.

For **FWW, FMA** and **FIN** students:  
Enrolment is only mandatory until admission to the last examination.

What does that mean?

For you, this means that if you have been accepted for the last examination by the end of the corresponding semester (winter semester 31<sup>st</sup> March; summer semester 30<sup>th</sup> September), you do not have to re-register/pay the semester fee.

The last examination can be taken in the following semester.

Admission to the examination is regulated in the examination regulations that apply to you.

For **FNW, FHW, FEIT, FVST** and **FMB** students:  
Enrolment is required until the day the last examination is taken.

What does that mean?

You must be enrolled on the day you take/write/submit the last exam.

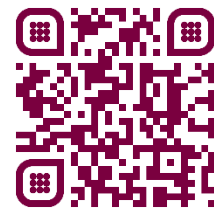

e.g.:

If the examination day falls on the first day of the new semester, re-registration is mandatory.

A refund of the semester fee already paid, even partially, is not possible!

Are you studying a second degree and paying fees?

Then take a look here:

I don't know yet whether I want to continue studying or change universities...

To be sure, do the re-registration.  
If you have decided by the end of the semester and do not wish to continue your studies, please do the de-registration (by 31.03./30.09.).

After de-registration you can apply to the Studentenwerk Magdeburg for a refund until 30<sup>th</sup> April/31<sup>st</sup> October. Please note the following information:

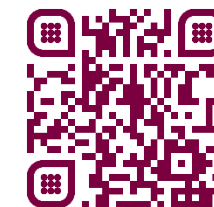

I would like to continue my studies. Do I have to re-register, e.g. if I apply for a Master's degree at OVGU or change my degree programme?

Yes, you must re-register within the re-registration period if you wish to continue your studies.  
Late re-registration will be charged with a €10.30 additional fee.

I would like to apply for a semester leave, do I have to re-register?

Yes, you must re-register within the re-registration period if you wish to continue your studies. Late re-registration will be charged with a €10.30 additional fee.

How do I apply for a semester leave?

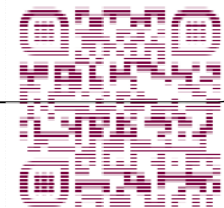

I have already completed my studies.

**Congratulations**, please apply for de-registration, further information can be found here:

Still no plans what to do after graduation...
