### Degree Verification

The department of study affairs is responsible for verifying study durations and degrees. In accordance with the European and German data protection regulations, such inquiries require a (national) legal basis or an explicitly given permission of the affected person.

Did you graduate or study some semesters at the Otto-von-Guericke-University Magdeburg (OvGU)?  
Do you want to verify these data for an employer or recruiting firm?  
Are you a potential employer or an agency that wants to verify an applicant's time spent at our university?

Please follow the process described below:

The form has to be completed and personally signed by the applicable person. Protecting personal data of our students and alumni is a major concern for us, therefore we will not forward any information unless the "Information Authorization" form has been properly filled out.

You can find the respective form ›here.

The charges for each inquiry depend on the related workload and will either be:

**70,00 Euro** or **85,00 Euro** (considerable expenses apply)

**Only credit card payments** are accepted (VISA or Mastercard).

Please be aware that the processing time depends on several factors (type of degree, time since graduation, etc.) and therefore can take between 10 -15 workdays.

Mr. Gruß for all study programs and degrees (except medicine and state examination)

Ms. Saskia Schulze for all study programs of the Medical Faculty
